## September 23, 2014

1. Invite Anchorage Legislators to the upcoming ASD Listening Sessions.

The Budget Listening Sessions are open to everyone in the community, including Anchorage Legislators. <u>http://bit.ly/1puDjxk</u>

Additionally, tfacing now:

## The implementation of **Destination 2020** is an integral

administrative level to each individual employee. Staff's alignment with the strategic plan is essential to improve student outcomes. Increased achievement will require the collective commitment and efforts of staff, parents and the community.

In the Anchorage School District, we expect a high-

This plan hi haahy be needed.

performing district that achieves exceptional results. We believe a process of continuous improvement can be consistent over time, transcending board membership and superintendents. 3. In face of budget cuts, consider Building strong and meaningful school partnerships with reaching out to Bridge Builders et al parents, businesses and groups within community is an for (screened) volunteers to help as ongoing priority in the district. Each school lists its part of a team assembled to assist volunteer opportunities on its website and/or in its specific students. Parents must newsletter; and the district has a very strong and vital remain involved. School Business Partnership Program.
