

March 17, 2018
Attn: Giving Department

Dear Community Partner,
Each year the Chugach Education Corporation (CEC) nonprofit holds an annual fundraising event for Chugach Optional Elementary School. Our goal for the 2018 - 2019 school year is to raise \$28,500. On behalf of the CEC, we are asking for your support in the form of live and silent auction items.

Chugach Optional Elementary School began in 1973 and is the oldest open optional program in Anchorage. It is an alternative, open optional program within the school district. Information about our programs and philosophy are found here: <http://chugachoptional.asdk12.org/aboutus/>

The Chugach Education Corporation is seeking creative donations from our community partners that will be displayed during our annual event, November 9th at the 49th State Brewing Company in Anchorage Alaska.

Donations generously enable the CEC to fund:

- Books for the school library

- Funding for our outdoor skating rink - a positive fitness activity opportunity that begins in Kindergarten. The rink is a vital part of the whole mind/body perspective at Chugach.
