

# Hanshaw Middle School Elective Choice Sheet 7<sup>th</sup> Grade

**Online course request window is Jan 30th February 10th**

STUDENT NAME: \_\_\_\_\_ ID#: \_\_\_\_\_

All 7<sup>th</sup> graders take Physical Education for a FULL year. PE waivers can be requested for students involved in sports outside of the school day.

## AVAILABLE ELECTIVE COURSES for 7<sup>th</sup> GRADE

Rank your top choices 1-6. (place 1 in front of your first choice, a 2 in front of your 2<sup>nd</sup> choice, etc). If you choose a class in the Yearlong Courses such as a foreign language, you cannot drop that class at semester. Yearlong classes mean you will be in the class the whole year.

Counselors will do their best to honor your request.

Course Descriptions: Refer to ASD website: <https://apps.asdk12.org/forms/uploads/MSprogram.pdf>

**Applied Technology 7:** This hands-on course couples technology education with an introduction to engineering. Included in this course are engineering design using computer aided drafting, engineering principles and processes and worksite safety.

**Art:** Students learn drawing, painting, printmaking, pottery and sculpture.

**Biology, Animals of the World:** Students will learn about a variety of animals from all seven continents. They will utilize readings, research, computers, guest speakers, and videos. A final research project on an animal is required.

**Computer Technology 7:**
