the mascot of Polaris K-12 changes;

1. , Wolves are a very common mascot for schools within and outside of our

district, and we promote being a uniq

- , Wolves were chosen as th reflect the school's personality;
- , During the 2009/2010 school
 make the malamute the Alaskan Stat
 and possibly the new mascot;
- 4. , wolves eat moose, an important mascot because it promotes violence
- 5. , wolves are predatory creat community; and
- , wolves represent power ar what school is about, it's about self gi

If voted for people can t presented to advisories and voted on. These

e Polaris K-12
